

Ancient Journey of the Mystic

Unlock the Master within, transform your outer world

Sacred Sites pilgrimage to Britain and Ireland 15-28 July 2020
with the Almora team

Flyer

The Sacred sites are amplifying their power, and revealing their secrets.

Present and ancient visionaries, healers, prophets and wise ones... We remember these ancient and Sacred lands. Again we are at a monumental time in history, and the sites are ready to share their wisdom and power.

Are you feeling the calling? It Is Time!

In 2020 The Almora team are very inspired and excited to bring to you this extraordinary journey. The mystics and sages collaborate at the sacred land of Albion and Eire, in the British and Irish lands.

We will perform incredible ceremonies, go to ancient places and meditate, have private time in Stonehenge, visit crop circles, learn the ancient wisdom from the ancients. Revisit past life times and activate and connect to our inner Master. Awakening to a more expanded and deeper part of ourselves. Share the love and nurturing of Gaia and experience the presence of Christ, Mary Magdalene, Joseph of Arimathea, Merlin, Arthur, and many Gods and Goddess of these lands. Opening in balance to the Divine masculine and feminine, within us and reflected all around.
